# Governance Practice Assessment

SERVING LEADERS | PROTECTING PEOPLE

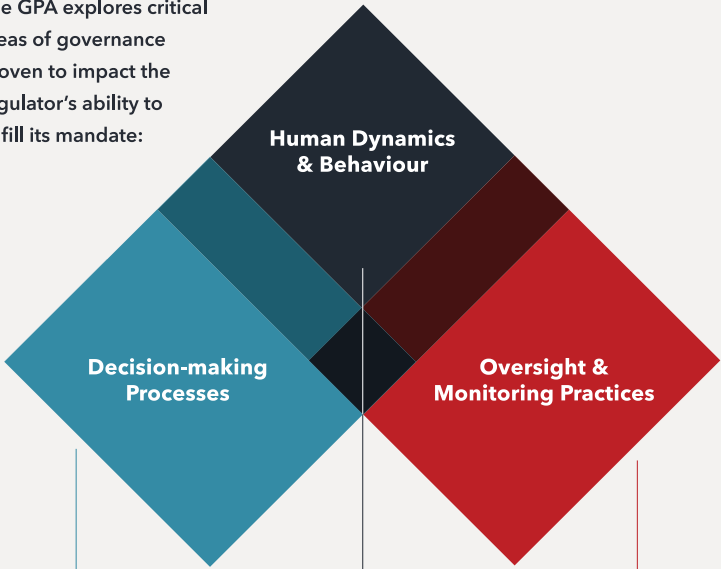

We have developed the Governance Practice Assessment (GPA) as a practical, cost-effective tool to support a regulatory board assess the effectiveness of the governance aspects it has control over - what we call "governance practice." The GPA is customized for regulators, ensuring that good governance is linked to the regulatory outcomes and the public protection mandate of the organisation.

“

**Good governance is not an end in itself - it is a means to an end. The end is reducing the risk of harm to the public.”**

**Practise.  
Evolve.  
Influence.**

The GPA explores critical areas of governance proven to impact the regulator's ability to fulfill its mandate:

- + Meetings
- + Materials and process
- + Board support committees

- + Board relationships and culture
- + Board - management relationships
- + Role clarity
- + Board learning
- + Chair effectiveness
- + Chair succession planning

- + CEO performance oversight
- + Regulatory effectiveness oversight
- + Organizational culture oversight
- + Strategic planning / Priority setting
- + Financial and risk oversight
- + Partners relationship oversight

We offer multiple GPA options ranging from a board self-assessment to a process which incorporates third-party assessment and observation.
